Budgets:

As mentioned previously, the Top Golf is **£44 a head** – please can you transfer this in advance, ideally **before Wednesday 13th** – as that is when I have to pay the balance.

My details are: **30-87-84 / 16812668** - Please use your name as a reference (So I can keep track of who is a good boy & who is a bad boy.)

The Beer tasting is going to be **£25 a head** – please bring cash for this on the day. Restaurant is not expensive (for central London), but I would estimate **£25 a head** for this too.

Notes:

I have not organised or paid for any travel stuff (so please have Oyster cards / Travel cards topped up & ready to go) – I have also not organised any accommodation – so please book in with a friend – or make sure you don't miss the last train home, etc!

Numbers – I have given '20 People' estimates to TopGolf, beer tasting & the restaurant. They have all asked if 24 hours before if I can confirm these numbers, I'm aware there may be slightly more than that – but hopefully they will all be understanding.

TopGolf is in Watford – the nearest train station is Watford North, however there's replacement buses on Saturday 16th August – so I recommend we avoid this. The next nearest station is Watford Junction, which usually takes 20 mins to get to from Euston – however there are only slow trains on the 16th, which take 45 mins. We will probably get a few taxis from TopGolf to Watford Tube – as this is going to be the quickest way for us to get back into central London (Farringdon) for the next bit.

The beer tasting is going to consist of 6x tasting measures of some very strong, very weird beers from around the world. Hopefully it will be chance to sit down & chill out and chat.

The restaurant is a decent 'Gastropub' boozer about 10mins walk away. Not many places like taking bookings for 20+ – but these guys were up for it. Hopefully it will fit the bill.

Phil's outfit – I'm keen to make sure Phil is suitably embarrassed. TopGolf & Beer tasting will be cool, but I'm concerned that certain outfits won't be appropriate for the restaurant – however, I think as long as we have some clothes Phil can change into & out of – we can be flexible.

As mentioned there's a statue of Robert Stephenson outside the main entrance of Euston stations – let's rendezvous there. We will then get the 12:37 train from Euston to Watford Junction. We can then walk to Top Golf – which should only be 20mins or so (possibly taxi if the trains are shit)

Contact:
